

# Carnfunnock Country Park Season Pass

## Terms and Conditions

- ◆ Season pass prices shall be charged as per Carnfunnock Country Park price leaflet.
- ◆ The season pass consists of a disc which must be displayed on the customers vehicle and is valid for one season only - from March/April (upon official opening) until October/November. Each season pass has a unique reference number, which is the evidence of entitlement to use the Car Parks and exit without requirement for further payment. Customers purchasing a season pass must provide details of their name, address and contact number(s) to the retailer. By purchasing, your contact details will be added to our computerised customer database.
- ◆ Season passes are particular to the customer and cannot be sold, transferred or assigned. Should the season pass not be displayed, daily ticket rates will apply.
- ◆ A season pass does not entitle the customer to any particular parking space within the Car Parks or to priority over other customers. Customers will only be permitted access to the Car Parks when there are parking spaces available.
- ◆ Customers must ensure that accessible parking spaces are kept clear for registered blue badge holders and must not park on double yellow lines within the Car Parks, unless requested by Park staff or agents to do so.
- ◆ Entry to or use of the Car Parks is subject to Mid and East Antrim Borough Council's terms and conditions. This information is exhibited and available on our website.
- ◆ If a breach or infringement of any of these terms and conditions is committed by the customer then Park Management may at any time request the return of the season pass and restrict or refuse access.
- ◆ Customers will be responsible for ensuring that the pass is not lost, damaged or used in breach of the Car Park terms and conditions or in any other inappropriate manner.
- ◆ If the pass is however lost or damaged, Park Management will issue a replacement pass for a set fee, subject to proof of identity and confirmation of purchase.
- ◆ All persons using the Car Parks do so entirely at their own risk, and no liability will be accepted for Loss, Damage or Injury to persons or vehicles (including contents) however such loss, damage or injury may be caused.
