

FOI Reference Number: FOI/144/1819

Date: 26th July 2018

Request:

At any point between 2010 and 2014 did your local authority publish a Childs Poverty Needs Assessment and develop and publish a Child Poverty Strategy or Family Poverty Strategy?

Does your local authority currently have a Child Poverty Strategy and/or a Family Poverty Strategy in place? When was this strategy published? What time period does the strategy cover? Is the strategy publicly available? Please can you provide an electronic link to where the strategy is published?

If your local authority doesn't have a Child or Family Poverty Strategy in place, is such a strategy currently being developed and when will this strategy be published?
