

FOI Reference Number: FOI/251/1920

Date: 09 October 2019

Request:

I would like to know the following:

- How many applications to be listed as an approved food establishment has your authority refused since 1 January 2019?
- In the case of each refused application, what was the type(s) of product of animal origin to which the application related? (For example, fishery products, meat products, live bivalve molluscs, etc)
- In the case of each refused application, what was the nature of the activity/activities proposed at the establishment? (For example, distribution, wholesale market etc)
- In the case of each refused application, what was the stated reason for refusal?

I anticipate that the number of refusals in each local authority will be relatively small, and this information should hopefully be reasonably easy to collate. If, however, this request is too wide or unclear in any respect, please contact me.
