MID AND EAST ANTRIM FARM WATCH SCHEME

Farm Watch has been developed and is delivered by Mid and East Antrim Borough Council's Policing and Community Safety Partnership in conjunction with the PSNI. Farm Watch aims to address concerns raised by the rural communities across the Borough providing them with an opportunity and support to help reduce the risk of the most vulnerable becoming a victim of Rural Crime.

Farm Watch has been developed to support those living or working across all of the Borough's Rural communities. As a member you will receive up to the minute Text Alerts from the PCSP and PSNI on issues which may affect your community.

The aims of Farm Watch are:

- To reduce crime and the fear of crime in farming and rural communities
- To build upon and strengthen community spirit in the rural community, so that everyone works together to protect their property
- To improve communication between the farming community and the police service
- To encourage people to report suspicious incidents as they occur

The service offered by the Farm Watch Scheme include:

- Specific `Farm Watch` roadside / property signage to advertise the scheme is in place
- Signage for placing on farm machinery linked to `Farm Watch` stating a warning that the property is marked
- Provision of a unique ref number for marking farm machinery with
- A property marking scheme to make it harder for thieves to dispose of stolen goods
- Machinery Assets Register to record all your equipment on
- Practical crime prevention advice to farmers and landowners, to help ensure their property and goods are as secure as possible
- An e-mail and text alert service from police
