## Introduction

As part of Mid and East Antrim Borough **Council's** commitment to setting and securing the highest standards in decision making, a Scheme of Delegation has been developed.

A Scheme of Delegation provides the framework and guidance for the powers delegated to Committees of Council and to senior Officers within the Council. Each of the predecessor Councils operated under an approved Scheme of Delegation.

In the absence of a decision by the Council to the contrary, all its powers would have to be exercised through meetings of the full Council. This would mean that all decisions, no matter how large or small, would need to be taken at meetings of the full Council.

**In recognition that this would be unworkable and may detract from the Council's** aims and values, the Council has the power to delegate certain decision- making. The discretion to exercise this power is provided under section 7 of the Local Government Act (Northern Ireland) 2014.

The Local Government Act sets out the powers which full Council must exercise and cannot be delegated. It also sets out a number of powers which can be delegated from the full Council to a Committee or Officer.

The Planning Act (Northern Ireland) 2011 also sets out provisions relating to the exercise of the Planning functions.

Any decision taken under a Delegated Power is considered to be a decision of the Council.

Mid and East Antrim Borough Council's Committee governance structure is set out below:

Meeting	Membership
Full Council	All 40 Elected Members
Planning Committee	12 Elected Members
Direct Services Committee	20 Elected Members
Borough Growth Committee	20 Elected Members
Policy & Resources Committee	20 Elected Members
Audit & Scrutiny Committee	8 Elected Member 1 Independent Member

All Committee Places were allocated to political parties at the Annual General Meeting on a proportional basis using the provisions contained within Schedule 2 of the Local Government Act (Northern Ireland) 2014 (i.e. Quota Greatest Remainder).

A Scheme of Delegation will cover the extent of delegation across the Council. This will include:

- Powers which cannot be delegated by Council i.e. must remain with Full Council
- Powers delegated to a Committee of Council
- Powers delegated to an Officer of Council

As part of the development of the Scheme of Delegation, a number of key elements are considered:

Committee Terms of Reference

Council currently operates six committees. Each Committee has an agreed Terms of Reference, which is subject to regular review.

### Scheme of Delegation for Planning Committee

As part of the preparation for the transfer of Planning functions, the Scheme of Delegation relating to decision making at the Planning Committee was agreed at the meeting of Council in January 2015. This Scheme of Delegation relating to the Planning Committee is incorporated into the overall Scheme of Delegation for Mid and East Antrim, and is subject to regular review. This scheme is set out at page 17.

### Regulatory Services

As part of the normal business practice of the regulatory services within Council, a number of Officers have been authorised to discharge functions relating to Environmental Health and Building Control. This includes serving statutory notices, implementing legislation, and discharging liabilities in accordance with legislation.

### Other service areas - e.g. HR, Grants

There are a range of other services areas which may be included in a Scheme of Delegation, to ensure the efficient operation of Council business.

The Scheme of Delegation was originally agreed by Mid and East Antrim District Council in March 2015, for implementation from 1 April 2015. . The Chief Executive conducted a full review to consider the practical operation of the Scheme and to ensure administrative efficiency and changes in Council personnel were reflected. The revised Scheme was agreed by Council on 7 March 2016. The Scheme is subject to an annual review and is brought before the AGM for agreement.

## Section A - General Provisions

### 1. Context

- 1.1 Mid and East Antrim Borough Council is only able to do what the law empowers it to do. In the absence of a decision by the Council to the contrary, all of its powers would have to be exercised through meetings of the full Council. That is, all decisions no matter how large or how small would need to be taken at meetings of the full Council.
- 1.2 Recognising that this would be unworkable and would detract from the **Council's** aims and values, the Council has chosen, through this document, to exercise one of the powers available to it - the power to delegate.
- 1.3 There are, of course, some powers which the law says cannot be delegated and others which the Council chooses to keep for itself.
- 1.4 Every decision taken under delegated power is considered to be a decision of the Council.
- 1.5 This section of the Scheme describes how decision-making operates within the Council. The remaining sections detail the specific delegations that have been agreed by the Council.
- 1.6 This Scheme of Delegation is made by Mid and East Antrim Borough Council pursuant to Section 7 of the Local Government Act (Northern Ireland) 2014.
- 1.7 The Scheme specifies delegated functions together with the authorised Committee or Officer. Authority to take decisions and other action pursuant to this Scheme shall be exercised in the name of the delegated Officer, but not necessarily by him/her.

- 1.8 The Council, in pursuit of its powers under Section 47(A) of the Local Government Act (NI) 1972, having considered the competency of the Chief Executive, authorise that Officer to hold and maintain a list of all of authorised officers of the Council in their respective departments who are authorised to discharge any statutory provisions.

Any list will be made available to the public when requested.

- 1.9 Where the exercise of a delegated power involves considerations within the remit of another Director, the Officer exercising the power shall consult with the Chief Executive/relevant Director prior to taking any final decision.
- 1.10 Authority to exercise any delegated power shall include authority to take all reasonable necessary actions of an incidental or consequential nature.
- 1.11 The Scheme shall be reviewed annually and approved at **the Council's** Annual General Meeting.

## 2. Extent of Delegation

- 2.1 The Council can only delegate to a Committee, an Officer of the Council or a Joint Committee. Unless the Council states otherwise, Committees may further delegate to Officers.
- 2.2 Officers with delegated powers can delegate to other Officers but this does not release them from the responsibility arising from the exercise of the authority that has been delegated to them in this Scheme. When Officers further delegate their powers, they have to record this in writing.
- 2.3 Where a responsibility has been further delegated, there is nothing to prevent the Committee or person who was originally given delegated powers under this Scheme from dealing with the responsibility themselves or from withdrawing or amending the delegation.
- 2.4 The Scheme will apply to all permanent staff, temporary staff, agency and contract workers working for Mid and East Antrim Borough Council.
- 2.5 Every decision taken under a delegated power is considered to be a decision of the Council.

### 3. Reservations to the Council - Powers which cannot be delegated

- 3.1 In terms of the law, full Council must exercise certain responsibilities. However, there are also certain matters that the Council has chosen to deal with itself. These are detailed at Section B and the Council has decided that these powers will not be delegated.
- 3.2 The Council is the main scrutiny and debating forum for issues affecting the Borough and for the provision of democratic leadership and promotion of the **area's** well-being. It exercises Strategic Leadership for the area and promotes **the Council's vision and core** values.
- 3.3 **The Council's powers which** cannot be delegated in legislation are set out in the Local Government Act (Northern Ireland) 2014<sup>1</sup>. Mid and East Antrim Borough Council will not delegate the following functions:
- a) appointing the Mayor, Deputy Mayor and all positions of responsibility;
  - b) establishing Committees and determining the delegation of functions to these;
  - c) appointing Members to serve on Joint Committees;
  - d) making a district rate under the Rates (Northern Ireland) Order 1997;
  - e) making a determination under section 13(1) of the Local Government Finance Act (Northern Ireland) 2011 (affordable borrowing limit) and monitoring an amount determined under that subsection;
  - f) borrowing money;
  - g) acquiring or disposing of land;
  - h) approving, reviewing and amending the **Council's** Standing Orders, Scheme of Delegation, and Financial Regulations;
  - i) approving the strategic objectives and the corporate policies which may **have a significant impact on the Council's strategic objectives, corporate policies or its resources**;
  - j) making, altering or cancelling any Scheme made under any enactment;

---

<sup>1</sup> In particular, part 3 – Positions of Responsibility and Part 4 – Discharge of Functions

- k) determining any process for the selection, appointment, payment or dismissal of the Chief Executive;
- l) determining whether to co-operate or combine with other local authorities in providing services;
- m) determining any issues relating to the maintenance of standards and conduct;
- n) determining the delegation of functions and powers to Committees;
- o) taking any other decisions which cannot by law be delegated to a Committee or Officer.

#### 4. Delegations to Committees

4.1 The Council wishes to ensure that its decision-making occurs in as efficient and effective a way as possible, whilst providing robust mechanisms to ensure transparency and accountability of the decision-making process.

4.2 Consequently, the Council has made provision in its Standing Orders, under Section 7 of the Local Government Act (Northern Ireland) 2014, for the establishment of the following Committees to discharge functions on its behalf:

- Planning Committee;
- Borough Growth Committee;
- Direct Services Committee;
- Policy and Resources Committee;
- Audit and Scrutiny Committee.

## 5. Delegations to Officers

- 5.1 The **Council's** approach to delegation has been influenced by its commitment to facilitate community participation in the decision-making process and to delegate to senior Officers.
- 5.2 Officers can be granted delegated powers by Council, a Committee or another Officer. The approach employed by the Council is to require delegations to **be to the Chief Executive and/ or one or more of the Council's Directors**, Heads of Service, Heads of Service sitting as a Decision Making Panel or other appropriate officers as detailed in Section D of the scheme.
- 5.3 As set out above, delegated authority granted to these Officers can be further delegated, however such delegation must be requested of the Chief Executive, who will maintain a register of such delegations.
- 5.4 Delegations that have been agreed for the Chief Executive and Directors are a mix of general delegations (that is, each of the Officers listed is similarly empowered) and specific delegations (that is, the delegations are specific to individual Officers). When exercising any delegated authority, Officers must have regard to a variety of stipulations that the Council has decided should govern and influence the exercise of delegated powers.
- 5.5 The only exceptions to the practice of routing all Officer delegations through the Chief Executive and Directors arise through statutory appointments. In terms of various statutes, the Council is required to appoint Officers for a variety of purposes. Officers appointed to perform these statutory functions are empowered to take the action that is implicit in their roles.
- 5.6 Council may require Officers to provide information about the exercise of certain specified categories of delegated authority. Additionally Officers may choose to make available such information about the exercise of other categories of delegated authority.

5.7 Council and relevant committees will regularly be provided with an overview of decisions either taken or about to be taken by Officers under delegated authority. Such decisions include, for example, those relating to certain planning applications, building certificate applications and some decisions relating to licensing and grant applications.

## 6. Review

- 6.1 This is Mid and East Antrim Borough **Council's** Scheme of Delegation. To ensure that it is fit for purpose, the Scheme will be subject to annual review and presented to Council at the AGM.
  
- 6.2 Between reviews, arrangements are made for the publication of amendments to the Scheme arising from decisions by Council or made necessary by changes in legislation or policy.

## SECTION B - Powers reserved to Council

1.1 **The Council's powers which cannot be delegated in legislation are set out in the Local Government Act (Northern Ireland) 2014<sup>2</sup>.** Mid and East Antrim Borough Council will not delegate the following functions:

- a) appointing the Mayor, Deputy Mayor and all positions of responsibility;
- b) establishing Committees and determining the delegation of functions to these;
- c) appointing Members to serve on Joint Committees;
- d) making a district rate under the Rates (Northern Ireland) Order 1997;
- e) making a determination under section 13(1) of the Local Government Finance Act (Northern Ireland) 2011 (affordable borrowing limit) and monitoring an amount determined under that subsection;
- f) borrowing money;
- g) acquiring or disposing of land;
- h) approving, reviewing and amending the **Council's** Standing Orders, Scheme of Delegation, and Financial Regulations;

- o) taking any other decisions which cannot by law be delegated to a Committee or Officer.

---

<sup>2</sup> In particular, part x – Positions of Responsibility and Part x – Discharge of Functions

Operational Management Team Decision Making Panel (OMT DMP)

TERMS OF REFERENCE

## 1. Purpose/role of the Working Group

At the Council's AGM on Tuesday 7 June 2016 approval was given to a number of amendments to the Scheme of Delegation including the **introduction of a 'Decision Making Panel'** (DMP) of members of Operational Management Team to improve efficiency on routine authorisations.

The Scheme of Delegation defines the DMP as Heads of Service sitting as a Decision Making Panel of OMT: the requirement will be for a quorum of five OMT members present.

Specific responsibility for authorisations delegated to the DMP are:

- Powers for Officers to make allocation from the Council Grants Scheme up to the value of £2,500;
- Approval of requests to hold events on Council owned land, in line with appropriate procedures and standard requirements, provided that there are no issues identified;
- Procuring Goods and Services via Direct Award Contracts and consideration of Business Cases as outlined in the Scheme of Delegation;
- Approval of Interim Grant payments for Carrickfergus Townscape Heritage Initiative (THI)

In addition, as part of an ongoing process of streamlining HR permissions, the DMP will also consider the following HR permissions:

- HR Permissions in respect of recruitment of staff including new posts (which subsequently require permission of Council), applications for payment of honorariums, flexible working/retirement requests, career breaks and any other HR related matters which require approval and are supported by appropriate Policies where applicable.

## 2. Membership

The membership of the OMT DMP has been agreed by SMT as follows:

- OMT Chair
- 4 other OMT Members/Heads of Service to include a spread of others across Directorates. (There is no bar on any Head of Service attending the OMT DMP).

The OMT DMP will be chaired by the OMT Chair, or another HOS in his or her absence provided there is a quorum of members.

### 3. Working arrangements

The OMT DMP will meet on a fortnightly basis or as frequently as is necessary to ensure expedient processing of decisions. Items may be circulated if necessary between meetings when important decisions are required.

The onus will be on the relevant Head of Service to attend meetings to ensure particular queries and papers are approved; alternatively, Heads of Service may nominate an appropriate, fully briefed member of staff to attend.

In order to achieve efficient use of resources and promote new ways of working, the OMT DMP will make use of technology to do business by video conference or tele-conference where possible and keep the requirement for the travelling associated with face to face meetings to a minimum.

Administrative support will be provided in accordance with normal OMT DMP arrangements with items being forwarded two working days prior to the meeting. A record of decisions will be maintained and updated to be stored with action notification of approvals as required.

Where a decision cannot be made because the OMT DMP considers it to be outside its remit, the matter will be forwarded to SMT for approval.

The record of decisions of the OMT DMP will be forwarded to SMT for noting.

### 4. Review

The Chair will undertake a review of the DMP processes on an annual basis.
