

APPLICATION FORM FOR A STATIONARY STREET TRADING LICENCE

Please fully complete the application and ensure the required certificates are attached at the time of application as incomplete applications will not be considered valid.

Stationary Licences can only be granted for streets or locations that have been previously designated by the Council.

Stage 1

Minimum Standards for application
All relevant certification has been provided along with the fully completed application form, and meets the required standards, namely; <ul style="list-style-type: none">• Gas safety certificate for all gas appliances, connections, flues etc associated with the vehicle/trailer dated within the last year (where applicable)• Public liability insurance (£5m)• FHRS rating 3 or higher• Electrical safety certificate - periodic inspection certificate within the last 3 years for all vehicles/trailers which have an electrical system/electrically powered appliances including generators• Evidence that vehicle is in good repair and condition (ie submit photograph of Vehicle/trailer taken within the last year)
Licence fee included with application £300

If this application is for the grant of a new licence or for a newly designated pitch then a further selection stage may take place as part of the application process if there are multiple applicants.

Stage 2

Additional criteria	Score weighting
Food Hygiene Rating Scheme <ul style="list-style-type: none"> Score 5 Score 4 	+2 +1
Applicant's residential address is within Mid and East Antrim Borough	+2
Any previous history of illegal trading or breach of any licence condition	-3
Substandard Vehicle appearance (cleanliness and repair of exterior not of the desired standard)	-2
Health related Added value Health related added value are those initiatives or activities which are consistent with the Council's Community Plan objective to "improve health, including the wider factors and causes of ill health"	+2

The applicant with the highest score will be awarded the pitch.

In the event of a tie in scores in stage 2 then a process of random selection will be used to choose successful applicant.
