

APPLICATION FOR A TEMPORARY STREET TRADING LICENCE

Please fully complete the application and ensure all required certificates are attached at the time of application as incomplete applications will not be considered valid.

If the Council receives two or more valid applications to trade on the same designated street **OR** if only limited number of pitches are available - the Council have developed the following pre-set criteria to determine applications.

The selection process is a two stage process, and only those applicants who meet Stage 1 will proceed to Stage 2.

Where there is only one applicant, the pitch may be awarded provided the minimum standards (Stage 1) are achieved.

Stage 1

Minimum Standards for application

1. All relevant certification has been provided along with the fully completed application form, and meets the required standards, namely;
 - Gas safety certificate for all gas appliances, connections, flues etc associated with the vehicle/trailer dated within the last year (where applicable)
 - Public liability insurance (£5m)
 - Electrical safety certificate - periodic inspection certificate within the last 3 years for all vehicles/trailers which have an electrical system/electrically powered appliances including generators
 - Evidence that vehicle/stall is in good repair and condition (ie submit photograph of Vehicle/trailer/stall taken within the last year)
 - For traders selling food a Food Hygiene Rating of at least 3

Stage 2

In the event of more than one application for a particular pitch or more applicants than pitches available, the successful applicant(s) for each pitch will be chosen by a random selection process.
